Given the current budgetary conditions, Suffolk County is proposing the elimination of eight under-used Suffolk County Transit bus routes. Three of these routes will impact the East End, which includes the S90, 10A and 10D/E. Suffolk County Transit is hosting the following public hearings to obtain and consider public perspective:

Thursday, September 8<sup>th</sup>: 3:00PM – 7:00PM  
Riverhead Legislative Auditorium, Evans K Griffing Building, 300 Center Drive,  
Riverhead

Friday, September 9<sup>th</sup>: 3:00PM – 7:00PM  
Hauppauge Legislative Auditorium, W.H. Rogers Legislative Building, 725 Veterans  
Memorial Highway, Smithtown

Legislator Fleming and her staff will attend the public hearing in Riverside to voice the concerns of her constituents regarding the proposed cuts. “These service changes will seriously impact some of the most vulnerable residents in my district. Great care must be taken to ensure that members of our community experience the least possible impacts of any service changes. I am also committed to long-term solutions to inefficiencies in our public transportation system.” said Legislator Fleming. Members of the public are

encouraged to attend the hearings or submit written testimony to *Suffolk County Transit*,  
*335 Yaphank Avenue, Yaphank, NY 11980*.
